## **DETAILED ACTION**

## Information Disclosure Statement

1. The U.S. Application serial number 09/690,729 cited in the information disclosure statement filed July 14, 2003 has been placed in the application file and the information referred to therein has been reviewed as to the merits. However, it has been crossed out in the PTO Form 1449 since it is not published patent document.

## Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: Claims 1, 2, 4-7, 9-13, 15-22 and 25-49 have been found to be allowable since the prior art either alone or in combination, neither discloses nor makes obvious the combination of an exposure apparatus and corresponding method for transferring a predetermined pattern formed on a mask onto a substrate where allowable concentrations of absorption substance, which absorbs the exposure beam, in the plurality of the partial optical paths are respectively set depending on a length of each of the partial optical paths in order for the concentrations of the absorption substance in the plurality of the partial optical paths to be satisfied the conditions as recited in the instant claims. Applicant's arguments are deemed persuasive and incorporated herein by reference.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
